

21APR and COVID-19

Multiple options to submit data and explain impact

- Two Collections for 2019-2020
 - provide whatever data are available, acknowledging that there might be no or missing data
- Opportunity to provide context to COVID impact
 - Grantee level
 - Center level
 - State level through certification

Grantee Level – Impact Statement

State Level – Certification

- Certification for 2019-2020 will be available in both Collection I and Collection II Spring terms
- Certification of data in Collection I is open (August 18, 2020 through August 31, 2020)
- Do not certify during Collection I if your State will be inputting data during Collection II
- Certification of data in Collection II will open December 22, 2020 (through February 15, 2021)

Recap: Opportunities to Provide Context

Multiple ways to capture COVID-19 impacts

| Level | Where | When | How |
|---------|---|---|-----------------------------|
| Grantee | Narrative Box on Grantee Overview | Can update at any time | Add explanation text |
| Center | Inactive Term under List of Centers on Grantee Overview | Can edit only during the active term | Select choice from dropdown |
| State | Narrative Boxes on Certify Data | During Certify Data window and only before submitting | Add explanation text |
